Severity:	Medium

Description

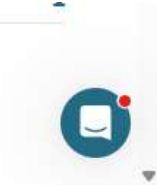

Environment:

OS: Windows 11

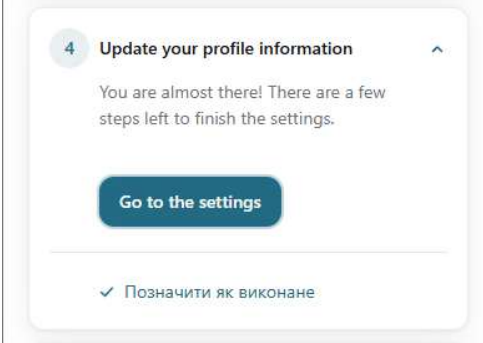

Browser: Chrome version 146.0.7680.178

Steps to reproduce:

Click on the message Icon

Click button "Go to the settings" in the 4 "Update your profile information" Task of guide

Expected Result:

Page must be redirected to settings.

Actual Result:

Nothing happens, but the mouse icon changes when hovering over the button.

Additional information:

After clicking this button, I get this message in the Chrome DevTools console
