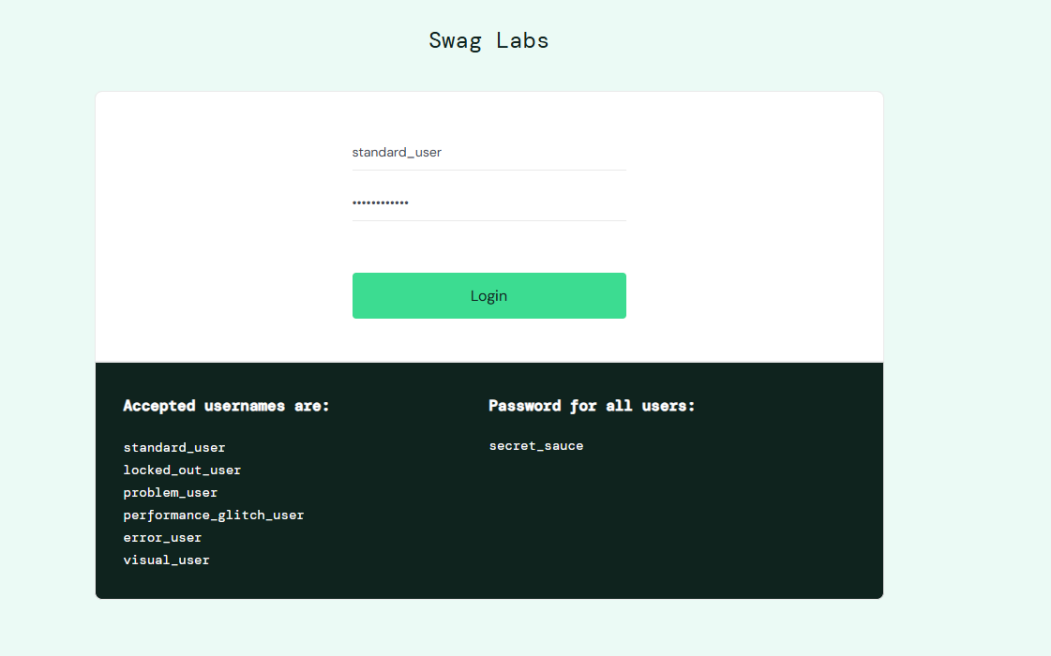
Comment by Yaroslav [15/лют./26]

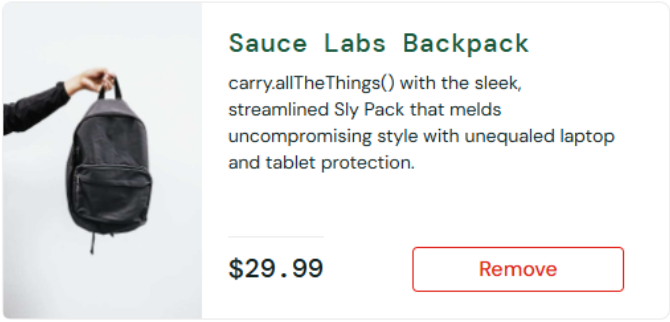
TC_CheckoutProcess_001

Preconditions:

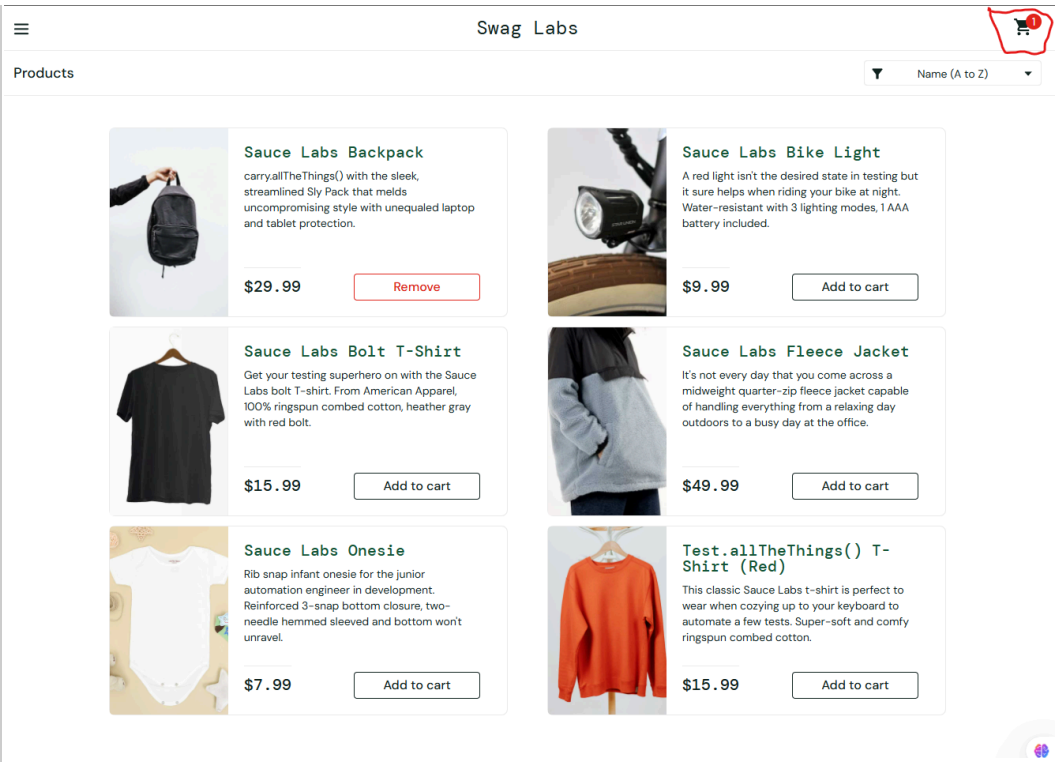
- Browser Google Chrome ver. 144.0.7559.133
- Open page https://www.saucedemo.com/
- Input User name “standard_user“ and password “secret_sauce“ then click green login button



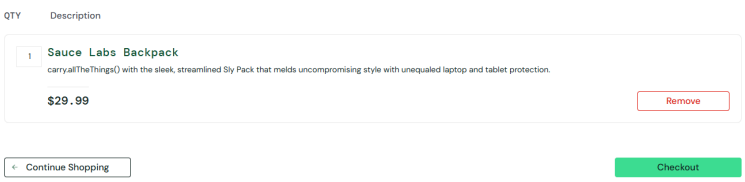
- User redirect to another URL https://www.saucedemo.com/inventory.html
- 
- Find product “Sauce Labs Backpack“ and clicking “Add to cart“ button, text and colour will change from black to red, and text change to “Remove“.



- Find shoping cart and clicking on picture



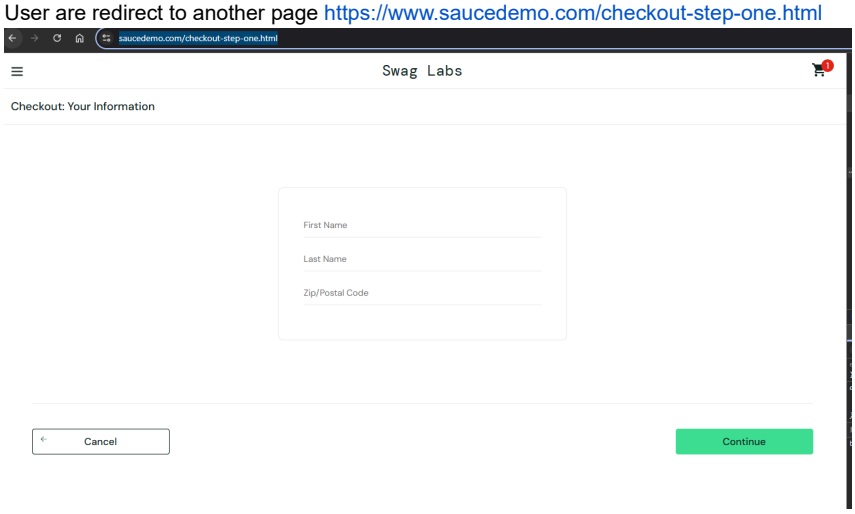
- User in shoping cart with one item “Sauce Labs Backpack“



-

Steps:

- Open https://www.saucedemo.com/cart.html
- Click the green button “Checkout“ id=`checkout`
- User are redirect to another page https://www.saucedemo.com/checkout-step-one.html



-
- Input user name to first text box id=`first-name` “Volodymyr“
- Input user Last Name to second text box id=`last-name` “Velykyi“
- Input user postal code to last text box id =`postal-code` “31-222“

- 
  Click green button “Continue“ at the bottom right side id=`continue`
- Page will redirect user to another page URL https://www.saucedemo.com/checkout-step-two.html
- 
- After user verefing information, a user click green button at bottom right side “Finish“ to complete order
- The user will redirect to another URL with next content order has been receive
- 
- User can close the page or clicking central green botton “Back Home“ under content .
- Clicking the button redirects the user to the inventory page.https://www.saucedemo.com/inventory.html

Expected result:

- User is redirected to https://www.saucedemo.com/checkout-complete.html
  Message "Thank you for your order!" is displayed
  Green checkmark icon is displayed
  Button "Back Home" is visible

Actual result:

- User is redirected to https://www.saucedemo.com/checkout-complete.html
  Message "Thank you for your order!" is displayed
  Order completion page loads successfully

Status:

- Pass
